

What's in your medicine cabinet?

Prescription drug abuse among teens is on the rise.
Being informed is your best defense.

Tips for Parents:

- Safeguard all drugs at home
- Set clear rules for teens about ALL drug use, including not sharing medication and following the medical provider's advice and dosages
- Be a good role model and follow the same rules with your medication
- Know the signs and symptoms of abuse
- Properly conceal and dispose of old or unused medications.
Check out www.monroecounty.gov/hhw for dates and locations of pharmaceutical waste collection sites located near you.
