Using marijuana while driving is **illegal**
in NYS for **the driver and passenger(s)**.

Impaired or drugged driving jeopardizes the
safety of all who travel on NYS roads and highways!

After alcohol, marijuana is the most commonly
identified drugs in deadly crashes.

Legal does not equal safe. Marijuana is an addictive drug.

The potency of marijuana has increased dramatically in the last several decades. THC, the cannabinoid producing the high, is at 20 percent or more in many states where it has been legalized. With concentrates, THC potency often exceeds 75-85 percent or more! As the potency of marijuana increases, the potential for addiction also increases.

impaired is illegal,
no matter what
